Webinar on “ **Intellectual Property Rights**” was successfully organized by Department of Mechanical Engineering, Samarth college of Engineering, Belhe, Pune, online on Zoom meet app & live on you tube. The Workshop was organized for Undergraduate students and faculties the contents covered were highly beneficial. A Brief report of the day is given below :

The session began with felicitation of resource person **Dr. D.B. Karajule**. The webinar started with brief overview of the importance of IPR. In this webinar, resource person explore the knowledge of latest types and process in patent.

Intellectual property rights help protect creations of the mind that include inventions, literary or artistic work, images, symbols, etc. If one creates a product, publish a book, or find a new drug, intellectual property rights ensure benefit from it. These rights also protect creation or work from unfair use by others. He also explained the job possibilities to the students in the field of IPR and the associated eligibility criteria. He emphasized on having at least a basic knowledge about the subject, so as to make patenting of research by scholars easier.

He also gave a brief talk on copyrights, trademarks and industry designs.

This webinar was very beneficial for the students, total 46 participants attended this webinar. The webinar was finally concluded with vote of thank given by Prof. A. L. Khatode (HOD Mechanical). All staff members actively participated in the webinar to make it successful.
