HOD MESSAGE

Greetings! On behalf of the faculty members, staff, and students of the Department of Computer Engineering of SGOI Samarth Faculty of Engineering & Management, Belhe. I welcome you all to the creative world of CSE. I believe the CSE discipline has been widely recognized as an essential source and technique for the advancements in all spheres of human Endeavour now and in future. In SGOI COE&FOM all the students gets the opportunity to excel in their academic activities. This is the department where students publish papers in international journals, at the same time a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. Among the reasons why our graduates are such favorites of industry is the consistent hands-on experience-based approach of our curriculum, our excellent laboratories, the long-time connections between Department and the industry. Whether you are a student, parent, prospective faculty member or a curious member of the public, I invite you to read our web pages and find a way to become part of the SGOI'S family. We hope you will also have the opportunity to visit us in our state-of-the-art facilities.

Prof. B. M. Borhade
Head & Asst. Professor
SGOI COE&FOM, Belhe.
